

# Summary of applicants progressing to stage 3

Council	Region	Theme	Title and summary
Barking and Dagenham	London	Air quality	<b>Young lungs: local action on preventable childhood respiratory disease</b> Working with the community to understand the impact of internal air pollution and ameliorate associated adverse health child health outcomes.
Barnsley	Yorkshire and Humber	Work and employment (digital inclusion)	<b>Healthier towns – Goldthorpe</b> Aiming to improve healthy life expectancy among people living in Goldthorpe, one of the deprived towns in Barnsley. With a focus on digital inclusion.
Bexley (with Greenwich)	London	Social isolation	<b>Thamesmead: engaged and connected communities</b> Strengthening social and community connections and improving mental health and wellbeing by creating places and services that respond to local needs; mitigating division and discrimination; and unlocking community assets and potential.
Bristol	South West	Food insecurity	<b>System change to address food insecurity across Bristol, North Somerset and South Gloucestershire</b> Addressing the root causes of hunger, poverty and poor diet quality by engaging more effectively with individuals, families and the wider community and the business sector
Darlington	North East	Fuel poverty	<b>The Northgate initiative</b> Improving the life chances and health outcomes of residents by addressing the wider determinants of health with a specific focus on fuel poverty.
Doncaster	Yorkshire and Humber	Mental health	<b>Shaping Stainforth</b> Tackling mental health issues locally by shifting their response from acute services to upstream prevention and community work.
East Sussex	South East	Male life expectancy	<b>Increasing life expectancy in men living in Hastings</b> Addressing the large recent fall life expectancy in men in Hastings, looking at employment and health literacy.

Newham	London	Food poverty	<b>Addressing the impact of food poverty in Newham for our children and young people</b> Using understanding of social determinants to reduce the impact of food poverty in Newham for our children and young people (CYP) with a particular focus on Key Stage 3 aged children
North Lincolnshire	Yorkshire and Humber	School readiness	<b>Reducing inequalities in child development: changing the beginning of the story, to change the whole story</b> Reducing inequality in early years outcomes at 5y; ensuring all children in N. Lincolnshire, including those experiencing social deprivation and low income have the best start in life.
Northumberland	North East	Crime and anti-social behaviour	<b>Heart of Blyth</b> The focus is on the concerns raised by residents about crime and anti-social behaviour and dissatisfaction with Blyth Town Centre. The application is focused on learning how to create the conditions where pro-social behaviour can flourish.
Rotherham	Yorkshire and Humber	Access to greenspace	<b>Moving in nature</b> Creating a more equitable access to green space with a focus on BAME communities and those in most deprived communities.
Sefton	North West	Employment	<b>Well Sefton: the next generation</b> Making the journey to be work-ready seamless for local people. Many lower-paid and 'starter' jobs have dried up, increasing competition for the limited number of jobs available. A key step is to ensure people have the necessary skills and confidence to enter employment.
Shropshire	West Midlands	Food insecurity	<b>Food insecurity South West Shropshire</b> Tackling food insecurity in a rural environment to develop a deep understanding of the food environment in target areas, identifying local assets and the opportunities and challenges to changing the system.
Suffolk	East of England	Child obesity	<b>Shaping Lowestoft for healthier lives</b> With a focus on affordable, healthy food, access to healthy activities and open space, healthy built environments, education and awareness allowing the wider community workforce to advocate for physical activity.
